IN 10 EASY STEPS

**A PRINTABLE CHECKLIST TO HELP YOU PLAN LIKE A PRO**

## Ready, Set, Go!

**T**here's nothing like a change of scenery. The good news is, it doesn't necessarily need to be an extended trip. A day trip can be just as enjoyable and restorable, provided you plan well.

That's why we've put together this easy checklist. You can print it out and then sequentially complete and check off each one.

The tasks in the printable checklist that follows are not particularly difficult. (Truthfully, the toughest step might be narrowing down the destination.)

But each of these 10 steps is very important.

When you consider each item to plan your day trip, you can begin the trip knowing you've covered all your bases.

Once you become a pro at planning out your day trip, you might be comfortable throwing a dart on the map and hitting the road without a plan.

But until day trips become second nature, refer to this easy checklist to guide and plan your day trip adventures!
